18/06/2010

A British tourist died after falling from his balcony on the ninth floor of a hotel in Mexico.

The man, named locally as 25-year-old Adam Joseph Pemberton, was on holiday with his girlfriend and a group of pals.

He fell 100ft at Cancun's Riu Caribe hotel while his girlfriend, said to be Rossana Claire Brughan, and pals were reported to be partying inside.

Police are investigating but believe the death was an accident and Adam had been drinking heavily.
